RECOMMENDATIONS

"Jonathan is an extremely rare talent who combines ground-breaking creative ideas and executive-level strategy to create award-winning work. He brings a raft of insights and alternate perspectives that most creative teams rarely see."

- Mike Berg, Creative Director @ Fuse

"Jonathan is a top-tier copywriter and strategist. He has a passion for delivering great work every time. Not just a guy that comes up with ideas, he can sell them. With clients he is very well spoken, detail-oriented, and confident. Above all, he will take on any challenge and put in as much time as needed to produce quality work."

- Nick Boes, Group Creative Director @ HYFN

"When it comes to pitching and selling ideas, his astute ability to internalize brand goals and propose strategic solutions for achieving them is truly admirable. He's a constantly proactive thinker...with an innate ability to translate these strategic goals into creative concepts."

- Amanda Whitehead, Copywriter @ HYFN
